(December 21, 2016)

I. INTRODUCTION

The Public Representative hereby provides comments pursuant to the Commission's Notice Initiating Docket(s).¹ In that Initiating Notice, the Commission reopens the above referenced docket to receive comments from interested persons, including the undersigned Public Representative, on a Postal Service notice to Amend Priority Mail Contract 95.²

Requirements of 39 U.S.C. § 3633. Pursuant to section 3633(a), prices for competitive products must cover each product's attributable costs, not result in subsidization of competitive products by market dominant products, and ensure that all competitive products collectively contribute an appropriate share of the institutional costs of the Postal Service.

The Public Representative has reviewed the financial worksheets filed, as well as all other documentation related to the original Priority Mail Contract 95. Based upon that review, the Public Representative concludes that the requested amendment for Priority Mail Contract 95 will continue to generate sufficient revenue to cover costs thereby satisfying the requirements of 39 U.S.C. § 3633(a). Further, the original terms of the contract should help maintain the contract's ability to meet the requirements of 39 U.S.C. § 3633(a) over the lifetime of the contract. The Commission will also have an opportunity to review the revenue, cost and volume data for the amended Priority Mail Contract 95 in the future Annual Compliance Determination Reports.

The Public Representative respectfully submits the foregoing comments for the Commission's consideration.
